Dear Colleagues

**RE: Annual Admission Arrangements Consultation for Community and Voluntary Controlled Primary and Secondary Schools 2017/18**

Significant new housing will be built in the next 10 years within Bracknell Forest and as a consequence there will be a need for additional school places.

A number of new schools are being built over the coming years and we are proposing in the first phase of these for 2017/18, to make some changes to our primary and secondary admission arrangements as follows:

- Proposal to make changes to certain related designated areas to prepare for these new schools.
- Proposal to remove the feeder primary school status for applicants applying to transfer to secondary school.

To view the proposals and to comment on them please follow the link below: Your views are welcome on these proposals.

Yours sincerely
